Frequently Asked Questions

- Q: I don't know the name of the faculty member I should study under. If I send my research proposal, could you please introduce someone to me?
- A: The International Student Section does not introduce faculty members.

 Please conduct your own research carefully and write the name of the faculty member you wish to study under on the "Application for Provisional Acceptance."
- Q: Before submitting the application documents, do I need to obtain approval from a faculty member in order to include their name on the "Application for Provisional Acceptance"?
- A: No. You do not need to obtain the faculty member's approval to include their name on the "Application for Provisional Acceptance."
- Q: Can I contact the faculty member listed on the "Application for Provisional Acceptance" before submitting my application documents? Could you provide their contact information?
- A: You are not prohibited from contacting the faculty member in advance. However, whether they accept such contact varies by faculty member and department. Please refer to the department's website for contact information.
- Q: When will I receive the screening results? I need them for other application procedures. Could you inform me earlier?
- A: As stated on the website, the screening results will be sent to the applicants by Monday, September 22, 2025 (JST). We are unable to accommodate individual circumstances in the screening process. Please note that submitting your application early does not guarantee earlier notification of results.
